

## REMARKS

Reconsideration of the present application as amended is hereby requested. Applicant has amended the title of this application to conform to the preamble of the claims. Thus, this change does not constitute new matter.

In the Final Office Action, all of the pending claims 98-125 were rejected under obviousness-type double patenting in view of the common owner's prior patent No. 6,595,998 in combination with the patent to Reiley et al. (US. No. 6,066,154). Submitted herewith is a Terminal Disclaimer and associated statement under 37 C.F.R. §3.73(b). This Terminal Disclaimer should overcome the non-statutory double patenting rejection, pursuant to 37 C.F.R. 1.130(b) and 1.321(c). A check in the amount of the requisite fee of \$65.00, as set forth in 37 C.F.R. 1.20(d), is enclosed herewith. The Commissioner is authorized to deduct any fee deficiency or credit any fee overpayment to Deposit Account 13-0014.

In view of the submission of this Terminal Disclaimer, it is believed that all of the pending claims 98-125 are allowable over the art of record. Action toward a Notice of Allowance is earnestly requested.

Respectfully Submitted,

September 11, 2006
